The Jimmy Mac Bonus Tracks

"All Bonus Tracks are for sale at Abstractlogix.com get em while they're hot!"

These compositions were works in progress during the making of Just a Kid Havin' Fun CD.

Towards the end of production of my CD, Dad took ill and died. I had to spend a good amount of time taking care of my Mom in New Jersey. So, a few ideas never came to fruit.

The Track "Thanksgiving" on the Bonus release was written in his memory. My Dad passed away on this day so its only fitting its titled as such.

Enough about me.

Here's The Rundown:

- Who'd a Funk It
- The Mystic
- Nashville Swingers
- Thanksgiving
- The Raptor
- A Viking's Dream

All the same musicians from the Just a Kid Havin' Fun CD were utilized

on these tracks.

Produced by Jimmy & Jimi

Composed by Jimmy Mac

Jimmy Mac: All Guitars, Jimi Fischer: Bass, Drums & prgm, Taylor Cutcomb:
